## VERSTEIGERUNGSBEDINGUNGEN

Ihre Gebote, die nach Losnummern erfolgen sollen, werden als Limit behandelt. Schriftliche Aufträge werden reduziert, wo die Gebote es erlauben, und die Lots werden zu einem Preis verkauft, der nicht höher als 5% über dem zweithöchsten Gebot liegt. Schätzpreise sind als Hilfe angegeben; die Lots können jedoch zu einem höheren oder niedrigeren Preis verkauft werden.

Wir garantieren die Echtheit der Stücke, die sorgfältig beschrieben sind. Katalogfehler werden sofort korrigiert. Aufträge von uns unbekannten Sammlern können nur ausgeführt werden, wenn zufriedenstellende Referenzen gegeben oder 25% Deposit hinterlegt werden. Uns bekannten Kunden schicken wir die Lots auf Rechnung zu.

Alle Gebote sowie die Bezahlung soll in US-Dollar erfolgen. Die Bezahlung ist nach Erhalt der Rechnung fällig und sollte in Form eines internationalen Schecks sein, der auf eine US-Bank gezogen ist.

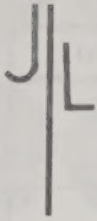

Der Versand erfolgt durch eingeschriebene Luftpost und geht zu Lasten und Risiko des Kunden. Wir verlangen vom Käufer kein Aufgeld, keine Provision oder Steuer. Fällige Gebühren und Steuern in Übersee gehen zu Lasten des Kunden. Das Auktionsgut bleibt bis zur vollständigen Bezahlung unser Eigentum.

## HOT AIR PAGE

We are pleased to have a diverse offering of World Coins, Tokens and Medals for our first C.O.I.N. Auction. Also connected with the C.O.I.N. Convention will be a 550 lot Numismatic Literature Auction presented by George F. Kolbe. For our overseas bidders who might be considering a trip to the States, the two weeks immediately preceding and including the C.O.I.N. Convention in Los Angeles will be filled with World Coin activities. The Chicago International Coin Fair will be held the first weekend in June with a major Auction. This is followed by the auction of the Boston Museum Ancient Coin duplicates, June 6th, by Numismatic Fine Arts. Additionally, in Los Angeles activities include the I.A.P.N. meeting and an important world coin sale by Bowers and Ruddy prior to the C.O.I.N. Convention. We would be pleased to represent bidders in these sales at 5% on material except ancient coins.

Our April Auction was extremely successful with 950 mail and floor bidders participating. The literature section was particularly active with much of the material going to the floor bidders here from Europe, Canada and around the States.

We will have another literature sale contingent on the timing of consignments and new purchases. We are still interested in adding to our own reference library as well as purchasing material to auction. To that end, I am especially interested in acquiring European Auction Catalogs prior to 1950 and any better single reference books as well as entire libraries. I am willing to travel to inspect extensive holdings. Do keep me in mind if you have literature to sell or consign.

We will be making plans for Fall soon and will publish our schedule in the near future. Consignments are now being accepted for Fall auctions and we will notify consignors and potential consignors as soon as our plans are firm. We are in the process of relocating our offices to a new building and enlarging our clerical staff. This should enable us to serve you even better in the future.

Finally, a few notes to our bidders. Please observe in the Terms of Sale, our offices are closed after 12 noon E.S.T. on Saturday's of an Auction. We can not accept phone bids after 12 noon on Saturday. Secondly, after every auction we hear from a few of you that your catalog arrived too late to bid effectively. In almost every instance, this is because your catalog was sent by Bulk Mail. We suggest you subscribe so you receive your catalog by First Class Mail. We intend to continue publishing five sales a year.
